

## South Gloucestershire Housing and Support Action Group

South Gloucestershire Council's Community Care and Housing Department want to involve people in developing Housing and Support services.

We have set up The Housing and Support Action Group which meets every two months.

Some of the things we have done include:

- Looking around a new housing site
- Designing leaflets
- Talking about housing and support issues
- Listening to guest speakers

Everyone is welcome at the meetings if they have an interest in housing or housing related support issues in South Gloucestershire.

We are always looking for new people to come to the meetings. We don't mind if people can't come to all of the meetings.

Lunch is sometimes provided at the meetings. We can pay for travel expenses for people to attend.

**The next meeting was due to take place on Wednesday 9th September 2009 but this has had to be cancelled.**

**We will let people know the date and the place of the next meeting when it has been booked.**

***If you would like to come, please telephone 01454 862357 to book a place so we can make sure there's enough space and refreshments!***

Some of the people in this group help to run it. There is a Chair person, a Vice Chair person and a note taker.

If you would like to come one of our meetings or if you would like to find out more, please contact the group organiser by:
